

Following last year's great success, there will be another information event for doctoral candidates and Post-Docs with children on Nov 9 2010, which has been organised by the GA, the FSU Family Office and the Studentenwerk Thüringen.

Time: 9.30 - 12.00 am

Place: kleiner Rosensaal, Fürstengraben 27

Amongst other things, Dr. Tessa Hegetschweiler (Graduate Academy) will provide information about grants to do PhDs, Anja Dragowsky (University Family Office) will explain arrangements for PhD students who are university staff members, and Jana Zeil (Adviser for the Thuringian Office of Student Services) will describe what services the Office of Student Services provides for PhD students. After the three short talks there will be time for questions and discussion.

This event will be in German but handouts in English will be available for non-German-speaking PhD students and Post-Docs. Children are very welcome. The Office of Student Services will provide a play area and has also organised childcare at the venue.

You can find further information on obtaining a PhD when you have a child [here](#)
