

On 27 May, the Service Centre for Research and Transfer will be hosting an information event regarding scheduled promotional programmes. Kornelia Gramann will be presenting the technological promotional programmes of the Thuringian Ministry for Economics, Labour and Technology (TMWAT) which are scheduled for the next promotional phase (presumably from autumn 2014 on). She is the Head of the department dealing with technological promotion in the Thuringian "Aufbaubank".

The event will be taking place in the auditorium/lecture hall 146 of the University Main Building from 02 pm until 04 pm.
