

Cafeteria Zur Rosen

Cafeteria Zur Rosen, run by the Studierendenwerk Thüringen, is located on the ground floor of the House for Young Researchers. After the building's restoration between 2008 and 2011, a small restaurant was constructed in these rooms. It is one of the oldest student restaurants in Germany: for almost 450 years, these rooms have been used for student gastronomy. Additional information on the history of the building Zur Rosen is available [here](#).

The modern Cafeteria Zur Rosen is open from Monday to Friday from 11 a.m. until 10 p.m. In the main dining area, there is room for 40 guests and in the cellar, there is room for 28 additional guests. In the summer, 40 more guests can be served on the terrace.
