

# Historic Wooden Parlor

On the first floor of the House for Young Researchers Zur Rosen, there is a historic wooden parlor. This parlor from the year 1430 is one of the oldest rooms in Jena. During the restoration of the building between 2008 and 2011, the parlor could almost completely be restored to its original state. Additional information on the history of the building Zur Rosen is available [here](#).

The historic parlor can be used by young researchers in Jena as a meeting room for 10 to 14 people.
