

# Offices of the Graduate Academy

The offices of the Graduate Academy and of the German University Association of Advanced Graduate Training (GUAT) are located on the second floor and top floor. The UniWiND Coordination Office for Advanced Graduate Information (UniKoN) is located there as well.

Until the restoration of the building, these rooms were originally apartments for professors. Between 2008 and 2011, these rooms were reconstructed to their original state as much as was possible and were turned into office spaces. Additional information on the history of the House Zur Rosen can be found [here](#).
