

Every year the Friedrich Schiller University in Jena offers scholarships according to the Thuringian Higher Education Act which are funded by the State of Thuringia. These are known as "Landesgraduiertenstipendien". The funding period of these scholarships is three years. This period may be extended due to the following reasons: taking care of children or family members, having a serious illness or disability. The scholarship is 1400,- EUR per month and (if applicable) extra payments for child care.

Applications are made [online](#) and you can apply from now until 30 September 2020. The earliest date that payments can begin is 1 January 2021. Detailed information, the current advertisement for the grants, a list of documents to be submitted can be found [here](#).
