FRIEDRICH-SCHILLER-
UNIVERSITÄT
JENA

We cordially welcome all doctoral candidates who started their doctorate in the last year!

At the event "Welcome to the doctorate" on 16 October, we give you an overview on the offerings of Friedrich Schiller University Jena. You get to know representatives of the doctoral council (DR.FSU) and a doctoral candidate gives you a humorous insight in the everyday doctorate life. In the second part of the event, you have the possibility to swap ideas on different themes of the doctorate over coffee and snacks. Following this, you can join a pub crawl organised by the DR.FSU.
