Inhalt / Content	<p>This workshop is designed for doctoral candidates and Post-Docs aiming to improve their spoken English. The seminar seeks to give as much speaking practice as possible. Focusing on a variety of role plays and case studies participants will be guided to overcome their lack of confidence when speaking English. Moreover, special emphasis will be laid on workplace English, e.g. telephoning, small talk and socialising. Students of all levels in English are welcome to this workshop. If you're not sure of your English skills, please go to <a href="http://www.examenglish.com">www.examenglish.com</a>, level test, to determine your level of proficiency.
