

Extramural Funding: Key Factors for Writing a Successful Proposal

Trainer	Dr. Wilma Simoleit
Language	English
Date	23 – 24 April, 2012, 9 a.m. – 5 p.m.
Location	Accouchierhaus
Target group	interdisciplinary

In this seminar the participants get guidelines to move strategically and effectively within the network of funding possibilities. They learn how to find the right funding agency and funding program. The participants get insight into the principles of extramural funding, the structure of proposals and the procedures of proposal submission and evaluation. The participants also get to know unwritten rules they should keep in mind, when applying for extramural funds.

The seminar includes diverse exercises. The participants will train to write a convincing proposal with a strong summary. Optionally, participants, who are currently writing a proposal can provide their summary for analysis.
