

GRADUATE **ACADEMY**

GRADUATE ACADEMY

Career with a doctoral degree

Career Service for Doctoral Researchers and Postdocs

FRIEDRICH-SCHILLER-
UNIVERSITÄT
JENA

The Graduate Academy offers career service for doctoral candidates and postdocs of Friedrich Schiller University. The career service offers the following support:

Individual career counselling for doctoral candidates and postdocs

- Which options do I have after the doctorate?
- Where can I work with my doctoral degree?
- What is the benefit of academic experience for the various occupational fields?

Workshops for career planning and job applications

- Pursuing an academic career in Germany
- „Plan B – How to find your career outside academia“
- „Finding a job in Germany – Applying and working outside academia“
- And many more

Lectures and events around the topic of „Career after the doctorate“

- Career evenings with field reports from different occupational fields
- Lectures on academic career options
- Lectures on custom-fit job applications
